#foreverykid How can we be champions for your family? We long for worship to be a time of peace and refreshment for you and your child! If your child has emotional or physical needs that we can help alleviate in their classroom at church, please contact LuAnn Johnson at luann@ferncreekcc.org. We want every child to feel loved and included!!! We are for every kid!!!

Baptism If your elementary child has questions or is interested in baptism, please see Gary anytime for a free kids baptism devotion book.

Pictures/ Video We love taking pictures and video of what God is doing in Kids Ministry at Fern Creek. If you don't want your child's photo or video posted in print or online, please speak with Gary Boschain or LuAnn Johnson. We long to honor your wishes.
